PROFESSIONAL EXPERIENCE

Paris Baguette

Fort Lee, New Jersey

Shift Manager

Jul 2022 – Aug 2025

- Maintained operations and crews of up to 4 people, training several workers during that time
- Handled cash registers and deposits with up to \$2,000 daily
- Ensured customer orders were made in a swift and orderly fashion as well as ensuring that preordered goods were made before its scheduled pickup time and date to ensure customer satisfaction
- Managed waste logs, scheduled orders, and inventory each night so information would be accurately placed into our system for the following week

Stage Crew

Fort Lee, New Jersey

Stage Crew Head

Sep 2019 – Jun 2023

- Managed a crew of up to 15 members throughout 4 different productions
- Coordinated with heads of other crews as well as directors to manage different cues and succeed at different goals we had set for each other by the night of the first performance
- Rehearsed the cues with my crew and other members of the production to ensure the success of the performance and to ensure a seamless flow to the production

SKILLS

Media Indexing:

- Collaborated with peers online to analyze different pieces of media and document data and statistics under specific categories
- Performed calculations utilizing specific scientific principles under specific standards and policies and evaluated the calculations of others to ensure they met those standards
- Gained limited coding experience and experience in compiling data and debating the applications of that data
